Terms and Conditions

The certificate is subject to the following terms and conditions:

- The Certificate is only valid for the product listed above
- The product is to be used in accordance with the manufacturer installation and operation instructions
- The Certificate remains valid based upon satisfactory bi-annual factory production control audits
- The product listed in this certificate has been found to comply with the requirements of ISO/IEC 17065 and for ISO/IEC 17067 for product certification scheme type 5

The following may render this Certificate invalid:

- Changes in the design or construction of the product.
- Changes or amendments in the standard(s) which form the basis for documenting compliance with the requirements
- Customer fails to comply with the agreed surveillance of the Factory Production Control and/or quality system.

END OF CERTIFICATE

Notice: The certificate is subject to terms and conditions overleaf. Any significant changes in design or construction may render this certificate invalid.
