

Base sounder, multi tone, red**AS368**

The AS368 is an extremely efficient base sounder that offers ultra-low power consumption. It offers a universal detector mounting platform for installation underneath any detector, but also allows the optional fitment of a blanking cover, to turn the unit into a slim and unobtrusive stand alone sounder.

Specifications

Supply voltage	
EN54-3 / fire applications	17 - 60 VDC
non-fire applications	9 - 60 VDC
Current consumption	
(see tone table in manual)	3 - 7 mA @ 24 VDC
Sound output @ 1 meter	
(see tone table in manual)	up to 95 dB(A)
Tones	32
Monitoring	Reverse polarity
Temperature	-10°C to +55°C
Construction	High impact polycarbonate
Weight	100g
Colour	Red
Ingress protection	IP21C
Dimensions (L x D)	114 x 35 mm
