**4. Prices Fire Alarm System**

| Systems    | Annual fee per system (registration/publication/archive) |
|------------|--|
| Per system | € 1.500,-  |

Prices of Fire Alarm Systems are valid for the system with all its components. These components are not separately registered. The most important components of each system shall be subjected to a summary.

Components indicated autonomously prices of 3 shall apply.

## 5. Invoicing

Participants will be invoiced based on the number of products per quarter on the website. Initially an invoice will be sent for the number of products on the website in the 4th quarter of the previous calendar year.

The average of these 4 quarterfigures (the numbers will be levelled up) will give the number of products for a total year. At the end of the year participants will receive an additional invoice (debit or credit) in settlement of the initial invoice.
